

Excellent opportunity for presentation in a high profile national conference and publication in a peer reviewed journal

Call for Abstracts

Innovation, Academic & Research Excellence

Annual Conference

31st October and 1st November 2015

Holiday Inn, Birmingham -Airport

Invitation

The President and Scientific Committee of British Association of Physicians of Indian Origin are pleased to invite submission of abstracts or presentations for the Joint Mid Year Conference of BAPIO and GAPIO to be held in Birmingham on the 31st October and 1st November 2015.

We are aware that a number of our members are “beacons of excellence” in their field with their contributions making a significant difference in the day-to-day functioning of the NHS and improving patient care. We invite you to share your experiences with the wider audience at this conference.

Parag Singhal
Hon Secretary Bapio

❖ Oral Presentations

Innovation in patient care, both clinical
And managerial– 6 minute presentations

❖ Oral Presentations

Academic and research excellence

❖ Poster Presentations

in all categories

- *An award for the best oral and poster presentation*
- *All the presentations will be given a certificate*
- *Selected Abstracts will be published in a peer reviewed journal “The Physician”*

**Closing date for submission:
30th September 2015**

Submission of abstracts/ oral presentations should be by e-mailed to office@bapio.co.uk

Guidelines for submissions

1. Abstracts should not exceed 400 words. They should contain the title, names of lead authors and co-authors, designation and place of work along with a valid email address
2. All abstracts should be submitted in MS Word format
3. The abstracts may be on any topic related to innovations in medicine, surgery and nursing care, management or could be an original piece of research, case study, description of a new procedure
4. The abstract should make the objective of the study clear. Methodology could include study design, duration, interventions and outcome measures. The conclusion should be precise and well supported directly by the data. Any financial gain or conflict of interest should be declared

The scientific committee will select the Abstracts for both oral or poster presentations and the lead authors will be notified.
